

J-9 News

J-9 Crop Insurance

*Hope this new year finds you happy, healthy and prosperous.
We are looking forward to working with you in 2007.*

Time to sign up for Onion Insurance!

It's that time of year again. If you would like to add onions to your policy or change your coverage, please call or stop in before February 1.

We moved!

We have officially moved across the street from our previous location. We are now located at 217 1st Street and we are right next to the town parking lot.

Two new faces...

We have two new employees in our office, Petie and Michele. You may know Petie, who was formally with Valley Irrigation. Michele is currently a college student and will be working in the office two days per week.

Entity Changes....

If you have had made any changes: married, divorced, death or corporation/partnership changes it is vital that you let us know before the March 15 deadline!

Preventive Planting...

We will keep you informed as we receive information about preventive planting for this upcoming year. If you have questions about your specific situation, please do not hesitate to call us.

"The American Farmer - Never have so few done so much for so many with so little to show for it."

Upcoming Deadlines

Onions

Sign up & Coverage Changes - February 1

Production Reporting - March 19

Acreage Reporting - June 15

Spring Crops

Sign up & Coverage Changes - March 15

Production Reporting - April 30

Acreage Reporting - July 16

Productions...

If you haven't already reported your 2006 productions; now is the time...before it gets busy! If you had a 2006 claim, we may have your productions on the units that did not have a loss. If this is the case, we will mail a completed production report to you for a signature.

Fast Forward Video...

Did you know we just opened a video store in Ault? We rent DVD's, VHS and games. Fast Forward Video is right behind J-9 Crop Insurance. Just park in the town parking lot and use the side door entrance at 217 1st Street.

E-mail...

Just a reminder that you can e-mail us with your 2006 crop productions and planted acres.
